

MEMORANDUM OF UNDERSTANDING

Between

Eastern Kentucky University (EKU)

And

Jefferson Community and Technical College

For Matriculation of an

Associate of Applied Science Degree in Aviation Maintenance Technology

And

Bachelor of Science in Aviation: Aerospace Technology Option

Jefferson Community and Technical College and Eastern Kentucky University, in order to contribute to the development of a seamless postsecondary education system for the citizens of the Commonwealth of Kentucky and to promote the transfer of credit between multiple institutions while increasing the educational opportunity for the students of Kentucky, hereby establish this Memorandum of Understanding for Matriculation of Associate of Applied Science Degree in Aviation Maintenance Technology from KCTCS and transfer plans leading to a Bachelor of Science Degree in Aviation (Aviation Technology Option) at Eastern Kentucky University as approved by the Kentucky Council on Postsecondary Education.

Conditions of agreement for transfer of credit hours and cooperation between Jefferson Community and Technical College's Associate of Applied Science in programs listed above and Eastern Kentucky University's Bachelor of Science Degree in Aviation: Aerospace Technology Option are as follows and as identified in the attachments.

1. Upon successful completion of the attached programs leading to the Associate of Applied Science Degree in Aviation Maintenance Technology at KCTCS, graduates will be selected for admission to Eastern Kentucky University based on successfully meeting the University's admissions and academic policies requirements.
2. Successful completion of the listed academic programs at Jefferson Community and Technical College is defined by the current standards listed in the catalog.
3. Should requirements for graduation for the Bachelor of Science degree in Aviation: Aerospace Technology Option or the Associate of Applied Science Degree for Aviation Maintenance technology change, these changes will be communicated via a written form to the appropriate program chair within the institution and the conditions of this agreement reviewed within forty five days.
4. Jefferson Community and Technical College's Associate of Applied Science Degree students admitted to the Bachelor of Science Degree in Aviation: Aerospace Technology Option at Eastern Kentucky University shall be awarded transfer credit and advance credit as indicated in the attached transfer plans.

5. Jefferson Community and Technical College and Eastern Kentucky University agree to monitor and support the provisions of this agreement to ensure consistency, integrity, and program quality, plus transferability that benefits the students.
6. Jefferson Community and Technical College and Eastern Kentucky University will work together to design and place promotional materials, press releases, informative brochures and paid advertising as a joint effort with cost being shared by the institutions.
7. When in the best interest of the student(s), students will be able to concurrently enroll at both Jefferson Community and Technical College and Eastern Kentucky University to complete courses required for degree programs.
8. Both institutions will observe the Southern Association of Colleges and Schools (SACS) and the Kentucky Council on Postsecondary education guidelines and procedures. The institutions will adhere to the requirements of reporting information to these and other accrediting agencies.
9. This agreement can be terminated with written notification at least one year prior to termination date. Special arrangements will be made to allow student(s) already enrolled to complete the program in a timely manner.
10. This agreement will be reviewed by both institutions on an annual basis.

This Agreement becomes effective upon the signatures of all parties.

Total applicable to EKU Aviation = 47

Note (*) – EKU BS Aviation: Aerospace Technology Concentration will accept a maximum of 25 aviation technical electives. Additionally, because transfer students do not need BTO 100 there

is one EKU free elective. Thus, any 26 credits from ATE 102 through ATE 248 could satisfy this requirement.

Note (**) – EKU will accept ATE 222 through ATE 228 in lieu of our AVN 325

Note (***) – EKU will accept ATE 252 through ATE 258 in lieu of our AVN 435

Bridge Course Requirements (Courses that may be taken at either institution)
